From: mariann@awu.org

To: mariann@awu.org

The Office of Naval Research (ONR) is offering the Naval Research Enterprise Intern Program at Department of Navy laboratories. The program provides a paid 10-week summer research opportunity at the Naval Research Laboratory, Naval Systems Command Laboratory, or Marine Corps Warfighting Laboratory. Opportunities are available for students in many discipline areas. Laboratory links are available and provide a description of the mission and research performed at each laboratory.

To apply, visit www.awu.org/onr. The application deadline is January 10, 2003, but may be extended depending upon demand.

Program Information

- 10-week summer research opportunity at the Naval Research Laboratory, Naval Systems Command Laboratory (participating laboratories are located in California, Florida, Maryland, Mississippi, Pennsylvania, Rhode Island, Virginia, and Washington DC.), or Marine Corps Warfighting Laboratory
- Stipend: \$3,000 undergraduate; \$4,000 graduate
- Travel & Housing allowance of \$2,000

Eligibility Requirements:

- U.S. Citizenship required (Permanent Resident Alien status will also be considered by some labs)
- Junior (completed sophomore year by June 2003), Senior or Graduate Student
- Enrolled at a participating university
- Open to all majors relevant to the research interests of the laboratories
